Adoption of the agenda

The agenda was adopted.

The situation concerning Western Sahara

Report by the Secretary-General (S/1994/283 and Add.1 and Add.1/Corr.1)

The President *(interpretation from the French):* The Security Council will now begin its consideration of the item on its agenda.

The Security Council is meeting in accordance with the understanding reached in its prior consultations.

Members of the Council have before them the report of the Secretary-General on the situation in Western Sahara, documents S/1994/283 and Addendum 1 and Addendum 1/Corrigendum 1.

Members of the Council also have before them document S/1994/352, which contains the text of a draft resolution prepared in the course of the Council's prior consultations.

I should like to draw the attention of the members of the Council to the following revision to be made to the text of the draft resolution contained in document S/1994/352, in its provisional form: the sixth preambular paragraph should read as follows: "Recalling paragraph 22 of the Secretary General's report (S/1994/283),".

It is my understanding that the Security Council is ready to proceed to the vote on the draft resolution before it, as orally revised, in its provisional form. Unless I hear any objection, I shall put the draft resolution to the vote now.

There being no objection, it is so decided.

A vote was taken by show of hands.

In favour:

Argentina, Brazil, China, Czech Republic, Djibouti, France, New Zealand, Nigeria, Oman, Pakistan, Russian Federation, Rwanda, Spain, United Kingdom of Great Britain and Northern Ireland, United States of America

The President *(interpretation from the French):* There were 15 votes in favour. The draft resolution in its provisional form, as orally revised, has been adopted unanimously as resolution 907 (1994).

The Security Council has thus concluded the present stage of its consideration of the item on the agenda.

The meeting rose at 4.10 p.m.
